Dear Sir:

Reference is made to your claim for One Thousand Dollars (\$1,000.00) on behalf of Miss Anne Stein, [redacted] Massachusetts, for personal injury arising out of an automobile accident on 21 February 1952 on the premises of Mount Ida College, Newton Centre, Massachusetts. Delay in final determination of this claim has resulted from our oversight.

Investigation of this accident and review of your claim indicates that the claim is not one that arises from circumstances in which the United States (as represented by the Central Intelligence Agency), if a private person, would be liable. In consequence this Agency is precluded from administrative determination of a settlement on behalf of the Government.

Please regard this letter as a formal denial of the referenced claim.

Very truly yours,
